

# BUSHRA TAYYAB

*Student*

## PROFILE

Passionate and self-motivated beginner in computer science with a strong interest in open-source development and algorithmic problem-solving. Currently learning Python, JavaScript, and MySQL, with hands-on experience in building logic-based projects. Seeking opportunities to contribute, grow, and learn through GSoC.

## CONTACT ME

tayyabbushra06@gmail.com

## EDUCATION

**FET MJP ROHILKHAND UNIVERSITY,  
BAREILLY, UTTAR PRADESH.**

*Bachelor of Technology in CSIT*

2023-2027

## LANGUAGE

Hindi (Native), Urdu(Native)

English (Proficient – Second Language)

## COMPUTER SKILLS

Languages: Python (Beginner),  
JavaScript (Beginner)

Database: MySQL (Basic)

Tools: Git (Basic), VS Code

## PROJECT

**MAZE SOLVER (BFS ALGORITHM)  
PERSONAL PROJECT | PYTHON**

Developed a maze-solving algorithm using BFS after studying pathfinding in Harvard's CS50 AI course.

Showcased proficiency in Python and algorithmic thinking with clean, modular code inspired by DeepSeek AI guidance.
